Journey along the edge of Lake Wakatipu, through Kingston and Mossburn, to Te Anau. "The Key", an aptly named village, opens the door to the Fiordland National Park.

Continue on through the Eglinton Valley to the Mirror Lakes, before following the "Avenue of the Disappearing Mountain", past Cascade Creek and Lake Gunn and on to The Divide.

Proceed through the Hollyford Valley to the Homer Tunnel, a man-made tunnel cut out of the rock wall, to emerge into the Cleddau Valley, and on to Milford Sound. Join your Milford Sound Cruise and explore the wonder of this majestic fiord.
